## School's Coal Heap Starts Smouldering

Spontaneous combustion started a fire at the Madison school house yesterday which created gases that threatened to become so dense as to compel the closing of the school house. The department was called and firemen, after looking over the situation, gave orders as to how the coal bins in the basement should be treated to extinguish the fire.

A six-foot nozzle, used especially for the basement should be treated to extinguishing the smouldering coal. A gas mask, used by the fire department, was sent to school officials and the coal was turned over to prevent further danger.

## Express Appreciation of Fireman's Efforts

Chief George A. Graves received a happy message from the Interstate Sugar company this morning. Just a formal statement that said: "In appreciation of efforts of Ogden fire department members in trying to save the life of L. W. Wilson."

Witness wouldn't drink the stuff. DENVER—When the state's witness against A. L. Byers refused to drink the liquid they said was liquor, a jury here freed Byers of a prohibition charge. "Doesn't look like liquor and the state won't drink it to prove it," challenged Attorney W. A. Brayson. It was even thus.

## AMENDMENTS LOSE IN WEBER

County Commissioners Complete Canvass of Election Returns

With the completion of the election canvass yesterday afternoon by the board of county commissioners, the defeat of all amendments voted upon in Weber county is shown. In the official figures it is also shown that David W. Evans, Democrat, who was successful in election as county treasurer, has gained four votes over E. W. Piper, Republican candidate. This makes the majority of Mr. Evans over Mr. Piper, 158 votes. Few changes were made in the totals announced a few days ago of the unofficial figures which were published by the press.

Vote upon the amendments indicates that the first and the fourth amendments received the most consideration, although defeated. On the first amendment, relating to charters of cities and towns, the vote was 1703 for and 6799 against. The second amendment, relating to taxes for state purposes shows a vote of 1528 for and 3025 against.

On the third amendment, relating to state debt limitations, the vote was 966 for and 2818 against. The fourth, relating to rights of action to recover damages for injury, was defeated by a vote of 1919 for and 5696 against.

The results of the election have now all been checked and will be certified to the secretary of state and the county clerk for the making out of the certificates of election.

## Deaths and Funerals

LEWIS—Funeral services for Clifford Lewis will be held Saturday at 3:30 o'clock in the Kirkland funeral chapel. Rev. Nevill of the Methodist church will officiate. The body may be viewed Friday and Saturday morning at the chapel. Interment will be in the Ogden City cemetery.

WIDMER—James Dennis Widmer, 2-month-old son of David and Marian Cunningham Widmer, died at 6 o'clock last evening at the home of Mrs. Anne Cunningham, 134 West Twenty-eighth street, after four days' illness. The baby was born in Ogden Aug. 15, 1920. The body was taken in charge by Lindquist's and funeral arrangements will be made later.

## DUELLING VERY FOOLISH.— FRENCH DEPUTY HOLDS

PARIS, Nov. 11.—Duelling is a foolish practice and there is no place for it in France since the war, said Leon Daudet, member of the chamber of deputies in Paris and leader of the royalist party in France, in refusing a challenge from Paul Denise, deputy for the department of war, to meet him on the field of honor.

## COEUR D'ALENE COUNTRY PIONEER JUDGE IS DEAD

WALLACE, Idaho, Nov. 11.—Judge Wm. S. Wood, aged 75, judge of the Shoshone district court since 1896, died here last night after a year's illness. He was a veteran of the Civil war, enlisting as a private and rising to the rank of lieutenant colonel. He was admitted to the bar in Iowa at the close of the war and then moved to Salt Lake. Coming to the now abandoned town of Eagle in 1884, he has been a prominent figure in the history of the Coeur d'Alene country.

## 4-YEAR OLD ATTEMPTS TO SAVE SISTER IN FIRE

MASSACHUSETTS, Nov. 11.—Imprisoned by flames, four-year-old Frederic Murphy Wednesday night vainly to save the life of his infant sister, Mary Virginia, 17 months old, and himself perished in the attempt. The child's heroism was disclosed with the discovery of the two bodies, fearfully burned in a corner of the bed in a flame-devastated room of the Murphy home today, the little boy hugging his sister closely in his arms.

Mrs. Murphy, returning from a neighbor's home, saw her own residence in flames and suffered critical burns trying to reach her children.

DID THIS EVER HAPPEN TO YOU? SPOKANE, Wash.—Robert Dalton is 15. He was "misunderstood" at home. Robert admits it. He played hooky. Papa spanked him. Robert could no longer tolerate the "misunderstandings." The cops are looking for him. He may be shooting Indians or he'll be his way to Africa.

## Teddy "Highest Paid" Dog in Movies Wrong Weather on Tap; Snow Coming

NEW YORK—Teddy's had a lot of trouble since he "broke into" the movie game but perhaps his hardest job was signing his name along the dotted line on the contract that will give him a number of months' more fame and a lot more coin. Teddy will be able to live on porterhouses an inch thick and the kind of soup bones dogs dream about and still put money in the bank. He's the highest paid dog on the screen, it is said.

PEACE RIVER VALLEY CANADA'S GARDEN SPOT (By International News Service) EDMONTON, Alta., Nov. 9.—James C. Laut, famous as an author of books dealing with the pioneer history and development of Western Canada, has returned from an extended trip in the Peace River Valley.

"This north country," said Miss Laut "will some day be one of the garden spots of Canada. It is settling slowly. That is due to the homesteaders' dread of cold. But it is a delightful place to live. In summer its lush wild meadows and riotous abundance of wild flowers suggest the tropics. In winter its climate is temperate, dry, chinook winds. Wheat yields thirty and forty bushels to the acre. Its vegetables are wonderful. Livestock pastures outdoors all winter.

"It is 600 miles long by 200 miles wide, an area equal to that of Texas, Kansas, Iowa and Missouri combined.

A curved hammer to tap the keys has been invented to enable a person to use a typewriter while wearing gloves.

The weather man slipped up in his prediction for today, as was made apparent shortly before noon when clouds formed and snow began to fall. Yesterday he was emphatic in his statement that clear skies and sunbeams would prevail over Ogden and vicinity.

Early this morning, however, he was not so certain of his yesterday's forecast and sent an early telegram which said: "Snow this afternoon, tonight and Friday." The message stated there would little change in temperature.

Yesterday's maximum temperature was 41 degrees with a minimum last night of 27 degrees. Last night was several degrees warmer than the preceding nights. It was shown.

## BIGGER LOAVES OFFERED PEOPLE OF KANSAS CITY

KANSAS CITY, Nov. 11.—A ten per cent increase in the size of loaves of bread, the second such increase in two weeks without an accompanying increase in price was announced by 12 of the leading bakeries here. The increase, according to a statement, is a move on the part of the bakers to keep step with the general trend "in prices and in the expectation of the public."

"This move, her statement says, was in spite of the fact that labor costs tend upward and that lower priced flour is not yet available.

## Aspirin U. D. Co.

The patent on Aspirin having expired in 1917, the United States Patent Office cancelled the alleged trademark "Aspirin" and the name is now public property.

## Catarrh Of The Stomach Is Dangerous

"Thousands Have It and Don't Know It," Says Physician. Frequently Mistaken for Indigestion. How to Recognize and Treat.

"Thousands of people suffer more or less constantly from indigestion, coated tongue, bad breath, sour burning stomach, frequent vomiting, rumbling in stomach, bitter eructations, gas, wind and stomach acidity and call it indigestion when in reality their trouble is due to gastric catarrh of the stomach," writes a New York physician.

Catarrh of the stomach is dangerous because the mucous membrane lining of the stomach is thickened and a coating of phlegm covers the surface so that the digestive fluids cannot mix with the food and digest them. This condition has been known to cause death in the past. Unassimilated food, the blood is polluted and carries the infection throughout the body. Gastric ulcers are apt to form and frequently the ulcer is the first sign of a deadly cancer.

In catarrh of the stomach a good and safe treatment is to take before meals a teaspoonful of pure Bismuth Magnesia in half a glass of hot water as hot as you can comfortably drink it. The hot water washes the mucus from the stomach walls and draws the blood to the stomach while the Bismuth Magnesia is an excellent agent for mucous membranes. It creates the efficiency of the hot water treatment. Moreover the Bismuth Magnesia will serve as a powerful but harmless antacid which will neutralize any excess hydrochloric acid that may be in the stomach and retain it in the stomach. Easy natural digestion without distress of any kind should soon follow.

Bismuth Magnesia is not a laxative, is harmless, pleasant and easy to take and can be obtained from any local druggist. Don't confuse Bismuth Magnesia with other forms of magnesia, milks, citrates, etc., but get it in the pure Bismuth form (powder or tablet), expectantly prepared for this purpose.—Advertisement.

## Says Doctor's "Answer" To Another Proved Blessing Beyond Estimate

Tells About Menthon-Laxene Home-Made Cough Syrup

Dr. Lewis Baker, known throughout the country as an advocate of pure medicine, received a remarkable letter from Mrs. Maud Nelson, 194 Harrison Ave., Venice, Calif., in which she described her own chronic coughing, day and night, for a period of fifteen months, without relief from physicians' treatment, and her recovery after using Menthon-Laxene.

"One day in reading the paper I saw your reply to a question 'Can a cough be cured?' You recommended Menthon-Laxene. I bought a 2 1/2 oz. bottle and began using it every time I felt the inclination to cough, and as truly as I am living today—in two weeks time my cough was absolutely gone, and I have never had another one, and I have been three years since I obtained such wonderful results." She continues and tells of a young man who had a terrible cough and soreness of the lungs to whom she recommended Menthon-Laxene. When she positively stated was absolutely well in two months. Such results are not unusual and this fact accounts for 4,000 barrels of Menthon-Laxene being used the past year. A small bottle of it makes a full pint of cough syrup, excellent for making and taking according to each bottle.

## PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel, there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards' Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. -15c and 30c.—Advertisement.
